ANNUAL CONGREGATIONAL MEETING MINUTES GRACE PRESBYTERIAN CHURCH February 23, 2020, 11: 00 AM

Pastor Catherine Neelly Burton called the meeting to order. After determining that quorum was met Evon Russell was appointed to take minutes and Catherine opened with a prayer.

Catherine asked those present to look over the 2019 Minutes, as found in the Annual Report, as there would be a vote on them later.

Staff members were asked to go up on the dais to make reports on the previous year's activities and things anticipated in 2020.

- Kirk Anderson, Director of Student Ministries, stated that last year's youth leadership team this year mentored other youth to become the next group to lead worship. Additionally, GPC has partnered with the "Work 4 a Living" Pilot Program, a non-profit that provides job-training skills to low-income adults. Those who complete the program get to interview with actual companies with hopes of being hired to start a career. Kirk mentioned that this year's mission trip would be to Gatlinburg TN. In conclusion Kirk thanked the members of GPC for their support of the youth program.
- Jennifer Snook, Director of Children's Ministries, told of "Excavation Station," the new space created during 2019 for 2nd— 6th graders in Room 206. It even includes a beverage bar! Old maps, including those of Biblical lands were found stashed away elsewhere in the church and serve as the perfect décor for the walls of this new space. The name for this coming summer's VBS is "Upbeat: Discovering God's Rhythms for Your Life," and the curriculum is once again being written in-house. A number of African drums will be used throughout the week.
- JLL Director Emily Stoltz introduced herself to those in the audience who might not know her, as she assumed the position during 2019. In addition to a change in directorship JLL's facility underwent a lot of changes, due to the Deep Roots Capital Campaign's fulfillment of making facility and security enhancements. Nancy and Emily said they have received a positive response from the parents of the kids who attend JLL. They also mentioned the creation of the new Session-approved JLL Board. For 2020 they are looking forward to spring activities and VBS, and ended with thanking the congregation for their support over the years.
- Sean Foster, Director of Music, is thankful for all of the paid and volunteer musicians that GPC is blessed to have participate in worship. A special event featuring the GPC Choir and the choir of Westwood Presbyterian Church, Wichita, is scheduled for May 2020.

Having finished staff recaps, Martin took the mic to discuss the Deep Roots Campaign. He reiterated the information found on the first pink page of the Annual Report: that there is much to celebrate! Over 64% of the pledged \$400,000+ has been received, enabling the completion of facility and security updates to JLL, a new surveillance, wireless system, and

wireless microphone system for the church, and \$30,000 distributed in mission giving to Adams, Hyde, Robinson, and the International Rescue Committee. Starting 2020 with over \$60,000 the plans to renovate the parlor have begun. As money is available 200 of the old stackable chairs in the Great Room will be replaced. When these are met other renovations will follow, providing pledges continue to come in. Martin thanked the members of GPC for what has been accomplished and what is yet to come.

Sandy Remsberg, representing Planned Giving, reminded members to continue to feed Buckingham, the Birthday Pig, whose money in 2019 was distributed between the new Choir Robes Fund, Bus Tickets Fund, and the Endowment Fund.

Martin returned to recap the 2019 Finances and present the 2020 Budget, the latter approved by the Session. There was very little discussion.

Elder Ginny Vincent took the dais to discuss the Pastor's Terms of Call. Catherine and John left the room during this part. The specifics of her salary, etc. were put on the screen. There being no questions a motion to approve the terms of call as stated was made and seconded. The motion carried unopposed. Catherine and John were invited back into the room, to a round of applause.

Catherine asked for a motion to approve the Minutes in the Annual Report. A motion was made and seconded. The motion passed.

In wrapping up Catherine mentioned the weavings that many participated in making after worship a few weeks earlier. They were available on a bulletin board, to be added to; each piece that was woven in representing someone at GPC and how we as members of GPC are woven together. She also wanted to celebrate that the Confirmands joined the meeting today.

With business concluded Catherine asked for a motion to close with prayer. A motion was made and seconded; so moved.

Catherine closed the meeting with prayer.

Catherine Neelly Burton Senior Pastor 2020 Annual Report

Dear Grace Community,

2020 was hard.

Yes, there were many good things in the year, and many moments of God's grace, but it was hard. The year started out with good momentum for our congregation. After completing a study on congregational vitality, our session began to roll out initiatives to strengthen vitality.

In February our children joyfully led us in worship, we had a fun congregational afternoon at Chicken N Pickle, we took cookies to our community partners, and we gathered for an innovative Ash Wednesday service. We prepared to journey with Jesus to Jerusalem in Lent, not knowing that the journey would be like never before.

On March 8 we gathered at Grace for worship not knowing that would be the last "normal" Sunday. On Saturday, March 14 a group of staff members gathered in the sanctuary to practice with our technology so that we could stream worship on March 15. We've continued to offer streaming worship since then, and we will forever (a plus of this season). We worshiped in the building in the fall for 8 weeks. We also found new ways to worship.

Each year I'm aware of my failures and successes and what I perceive to be failures and successes for our congregation. This year the highs and the lows seem more pronounced. I grieve what didn't happen in our church, the relationships that have grown distant, the care not offered, the visits missed. And I am grateful for what we were able to do: the intimacy found in online prayer services, the joy and opportunity of micro churches, and the relationships made through phone calls.

For everything we haven't been able to do, the Spirit has made a way for something else. For instance, we weren't in the building for Easter, but many of you created flower crosses at home and shared those pictures with the congregation.

Our call as a church remains the same, to be the body of Christ, in this place and in the world. I have said to the staff and to our newly elected officers, that I see reconnecting as our challenge and opportunity for 2021. So much of 2020 was about figuring out what we were doing in a pandemic. I believe that we did as well as we possibly could, and I know it wasn't the same. Some of the changes we made, we'll keep. (There's no reason for people to come to the building for a 30-minute meeting that can be held online.) Other things we'll adapt, and some things will "go back to normal." In it all, we seek to follow Jesus Christ.

Thank you again for recognizing my ten-year anniversary at Grace. I was humbled by your gifts and acts of appreciation. I am grateful for the opportunity to be your pastor.

In Christ,

Catherine

Music Ministry 2020 Annual Report

- Several musical groups continued to make musical offerings in worship, January February:
 - Chancel Choir
 - o Carillonneurs (bell choir)
 - o *kakopħonie* (praise band)
- In March our groups stopped meeting, and worship music was led entirely by Sean Foster and Kelsey Wise.
- The pandemic prompted creativity, and Sean Foster put together several online music opportunities:
 - o Vocal music by the Grace section leaders.
 - o Instrumental music with Sean, Kelsey, and church members.
 - o Hymn sings with Erin Mae Lewis on zoom.
- By late spring our band gathered and began to rotate leading worship with our sanctuary service.
- In the spring Sean Foster announced that he was leaving in August for graduate school. The session established and then paused work on a search team of a new staff person. As information came out about the science of Covid-19 and singing we were uncertain about the immediate future of music at Grace Presbyterian Church.
- In September we hired Ben Rivers and Kelsey Wise to be interim music coordinators for both worship services.
- The music search team restarted its search, and in November the session called Tyler Morris to be our new Director of Music Ministries. Tyler started work in December.
- The new choir robes are here and look wonderful. With great anticipation, we look forward to the choir wearing them and leading worship.
 - Our Music Ministry is supported by many wonderful staff members:
 - o Sean Foster Director of Music (January August); Tyler Morris (December)
 - o Kelsey Wise Organist and Choir Accompanist
 - o Carter Tholl Soprano Section Leader/Soloist for the choir

 - o The Young Adult group gathered on zoom and occasionally together.

- This summer we offered a 2-week challenge for members of our community to read/watch articles and stories related to race. As a follow up we held two sessions for people to gather (one in person and one online) to discuss what we learned.
- We modified our all-church retreat. We met for one morning in backyards around the city and focused the time on the Lord's Prayer.

Student Ministries: Kirk Anderson 2020 Annual Report

Have I not commanded you? Be strong and courageous. Do not be frightened, and do not be dismayed, for the Lord your God is with you wherever you go.

-Joshua 1:9

In 2019 I said this about the year before, "This past year of ministering to youth, in many ways, has been more of a challenge than past years, and I suspect even more so going forward." What I did not see at the time was 2020! 2020 has been a challenge for all—and also many blessings and God opening our eyes to what kind of world we live in. This past year has been a challenge for youth, parents, teachers, volunteers, and staff. But through it all. God has been there.

As I started to write this, I figured the usual list of activities would be short. But, as God does, he was still with us and our opportunities to act and serve multiplied.

- We learned how to meet on Zoom!
- We learned that outdoor Sunday school and youth fellowship was cool and even preferred on nice days.
- While we cancelled our Mission Trip for the first time in who knows how long, or ever, we served locally: helping Giving the Basics, Jacobs Learning Ladder, Victory in the Valley, and projects around the church.
- Students came to Grace School, so they would not be home every day for remote learning.
- College kids earned much-needed funds for supervising Grace School.
- We held an online talent show and raised money that will go towards this year's hopeful mission trip.
- Our youth led Mission Sunday worship.
- Our youth band, the **Elevators**, while currently taking a break, is filled with talent.
- Two amazing youth were baptized and accepted Christ!
- We accepted seven youth into our congregation through Confirmation.
- Youth-led multiple Youth Worship nights with message and song.
- Two youth were elected, one to our Session and one to our Board of Deacons and start serving Jan 2021!
- Our youth became Westminster Woods Camp Counselors and staff.
- We started **Family Mealtime packets** to help families have dinner time discussions about faith and life.
- We celebrated our Graduates, even though for them much was cancelled.
- We have witnessed youth take the next step in their walk with God.
- We have experienced youth sacrifice for others.
- We have the most amazing and dedicated volunteers! There is no ministry without them.

I have to say that God was present even in a year we had to pivot to different ways of thinking and doing. That though, is the beauty of being in God's kingdom; life will throw you challenges, heartaches, loss, and through it all God still finds ways to move forward with love.

Our plans for 2021 will take into account new normals. We plan on a trip to Copperhill, Tennessee, partnering with TEAMeffort for a mission trip. We will explore new ways to teach and discuss God's amazing kingdom and word. We will see two youth serve on Session and Deacons. We will Confirm and Baptize. We will be active in God's world.

God will be with us in 2021! What that year looks like...I am not worried for the very reason God is with us wherever we go.

Children's Ministry: Jennifer Snook 2020 Annual Report

During a year of excessive change we continue to find hope in a God who never changes. Children's ministry at Grace started the year with a strong Sunday School attendance. **The Excavation Station** (elementary age students) studied biblical geography, Old and New Testament, and memorized the Books of the Bible. **The Foundation Station** focused on Bible basics through story, craft and service. In addition, January was the month the children worked together to practice and plan *Kids Lead Worship*, which was well received in February, followed by the annual meeting.

A new Vacation Bible School curriculum team was formed and planned to host an African drum music and Bible week. Eighty percent of the curriculum was finished until plans for such a gathering were halted by pandemic restrictions. The team will plan on finishing the curriculum and using it in the future when it is safe for large groups to gather. Plan B involved dusting off an older curriculum that we re-worked for the purpose of an online Bible School option. Many volunteers worked countless hours to create puppet skits, teaching, and music that was recorded, edited and stored on Vimeo for Grace kids and community to enjoy and use. This kind of VBS was a first for many of us, and we learned a great deal about the respect for technology.

The Spring required that children's ministries stop during March and April, but our team enjoyed sending mail to our children, and we offered a "show and tell" zoom meeting for our kids to introduce us to their pets or favorite stuffed animal. Other gatherings were able to be held outside at Great Plains Nature Center, and backyards.

The fall brought the **Foundation Station** upstairs and a new classroom and curriculum began. **The Excavation Station's** hot chocolate bar re-opened and Bible teaching resumed with social distancing guidelines in place.

As we continue to navigate children's ministry during these days please pray for our leadership and volunteer team to think creatively and critically on behalf of our children at Grace Presbyterian Church.

Bus Ticket Ministry

- o January February: Between 40-50 people received bus passes on the 15th of the month at Grace. People began to gather in the Alcove at 6:30 am. All were invited to worship and communion at 7:30, with bus passes distributed at 7:45.
- o March December: We modified the schedule to allow people to come, get tickets, and leave. People may sit, spread out in the Great Room, to wait on the next bus, but we no longer have a crowd in the Alcove. We stopped worship because of no unified time for the crowd. Our numbers dropped to 30-40.

• Economy Corner

- O January February was normal Economy Corner with Grace members and friends staffing the retail store on the First Presbyterian property 3 days a week. In addition, a group gathered at Grace every Monday morning to sort, wash, iron, and tag donations. All money that Grace makes through Economy Corner is given away. Deep Roots Capital Campaign Overview

Congratulations! We want to take this opportunity to celebrate the accomplishments and bring you up to date on the status of the **Deep Roots Campaign**, and to say, "Thank You for your ongoing commitment to this campaign and the ministries it supports."

The **Deep Roots Campaign** began in earnest in September 2018, and we received over \$400,000 in pledges. Many of you were able to see our progress in the first year of our campaign in 2019. And we have continued to work through our list of improvements in 2020.

But it has been hard to see many of our latest achievements since we haven't been in the building as a congregation for a lot of 2020. There is still much to celebrate! Your continued generosity allowed us to accomplish many things in this past year:

- The Parlor, adjacent Ladies Lounge, and Parlor Kitchenette have been renovated.
 - o Everything has been repainted.
 - o New carpet has been installed in the Parlor and the Lounge.
 - New window treatments are on the Parlor windows.
 - New furnishings are in both those spaces, and there is new artwork on the walls.
 - o There is new LED lighting in the Kitchenette.
- New carpet is installed throughout the first-floor hallways and narthex.
- Carpeting has been replaced on the south stairs leading to the second floor and in the second-floor hallway by the elevator and in the Bell Choir Room (Room 202).
- Room 202 also has been painted and has a new ceiling and LED lighting in place.
- The Music Office has been repainted and new carpet has been installed.
- There is new carpet in the Volunteer Office as well.

We look forward to having you back in the building so you can see what is being done through the **Deep Roots Campaign**. We enter the final year of the campaign with over \$52,000 in the bank, and your continued support for **Deep Roots** means we are preparing for additional improvements in 2021.

- We have accepted a bid to create a Family Restroom on the first floor across from the elevator. We are choosing tile and fixtures for that space so the contractors can get to work.
- Bids are being accepted to put in a drop ceiling in the second-floor hallways, and the electrical contractor will install new LED fixtures in that ceiling when it is complete.
- New LED fixtures will be installed in some of the second-floor classrooms as well.
- We will be replacing the 200 old stack chairs in the Great Room.
- And then we will clean and seal the outside of the building.

With gratitude for the accomplishments so far and excitement for those still on the horizon, we look forward to continuing to serve God and God's people in the years to come.

Thank You for all you do through Grace Presbyterian Church!

2020 Birthday Fund

Buckingham, our Birthday Fund pig, was not as well fed in 2020 as he has been. But many of you still contributed to this fund.

In 2020 we received \$1,839.00 for the Birthday Fund. Most of those gifts were not designated, and so that money will be equally divided among the three causes supported in 2020.

There were a few gifts that were given to one of the opportunities. That accounts for the variation in these designees:

•	The Choir Robe Fund received	\$550.67
•	Bus Ticket Ministry	\$789.67
•	General Endowment Fund	\$498.66

Buckingham looks forward to seeing more of you in 2021. Stay tuned for the ministries to be supported with the 2021 Birthday Fund gifts, and Thank You for sharing your birthday celebrations with us!

2020 Finances: An Overview

The following pages contain summary financial statements for the year. More detailed statements are available for those who are interested. While for some people these statements speak for themselves, for many of us it is helpful to have a narrative summary and an explanation of some of the terminology.

Let's first acknowledge that the past year was unique for everyone, and that is true for Grace in many ways. Total Operating Expenses for 2020 were \$719,915. This is about 85% of the amount budgeted for the year. There are two primary reasons the expenses came in under budget. The main factor is the adjustments made related to the coronavirus. Not all activities anticipated in 2020 occurred. The second reason was that in anticipation of scheduled activities per the approved 2020 budget, supporting income from endowments and long-term maintenance were transferred into the Operating Account. These two circumstances means that our bottom line for Operating Expenses in 2020 is the \$719,915 amount.

Our Total Operating Income for 2020 also is affected by the coronavirus pandemic. Our pledged giving in 2020 was in keeping with the amount pledged; however, the total giving we anticipated was down for last year. Non pledged income was off by a large amount, and Jacob's Learning Ladder attendance during the middle part of the year was down substantially. These two factors contributed to the 2020 regular income total of \$645,147. That amount includes \$584,654 in donations less \$5,358 net food ministry expenses and Jacob's income of \$65,851.

However, there was additional Supporting Income in 2020. Supporting Income from our Long-Term Maintenance Fund, 2019 Cash Forward, Facilities Endowment, and our Mission and Ministry Endowment Fund added \$92,000 to our income total. We also received a Payroll Protection Program (PPP) loan in the amount of \$174,800 in March. This allowed us to keep all our staff on payroll during the spring when Jacob's had limited enrollment and worship was a spartan online experience. These additional monies combined with your ongoing gifts and Jacob's net income means the total Operating Income for Grace in 2020 was \$911,946. Therefore, Grace ends 2020 with Total Income over Expenses of \$192,031.

In addition to our Operating Income, Grace also has special purpose funds we track each year. These funds include Sunday school class donations and expenses, mission trips, youth retreats, and various other special projects that receive directed gifts.

Grace Church also has an Endowment made up of three funds:

- General Endowment Fund: we do not spend directly from this fund, but up to 5% of three-year average of this fund can be available to the other funds
- Capital Facilities Fund: principal and income can be used
- Ministry and Mission Fund: principal and income can be used.

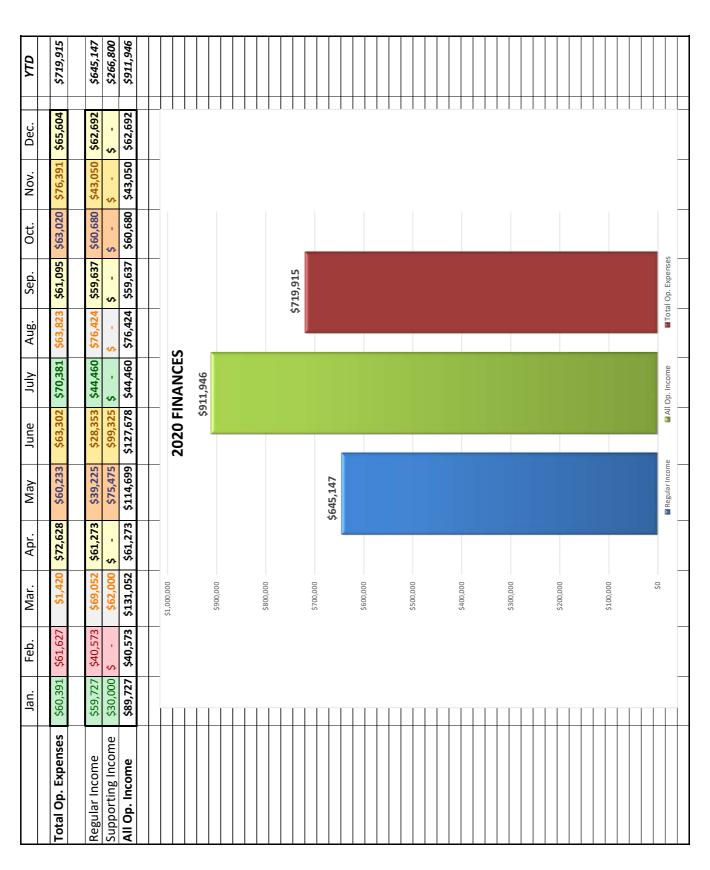

We ended 2019 with over \$628,826 in our Endowment Funds. In 2020 we used a total of \$57,000 from the Facilities Endowment Fund and the Ministry and Mission Endowment Fund. Even though we used that money, our investments did well this year, and we ended the year with \$626,106 in our Endowment Funds.

We begin 2021 in good financial shape, but we know there are challenges ahead of us as we pursue God's path for Grace Church into the future. We believe that with your help we can rise to meet these challenges as we move forward to serve as God calls Grace to serve our church, community and world.

Budget Information

2021 Budget Overview

The following pages contain the 2021 Budget that Session approved at their 25 January meeting. As you look at the budget, note the comments to the right of certain line items. These comments offer additional information about the specified entry. On the last page of the budget you will find comparative income projections for 2020 and 2021. The 2021 projections reflect the best information currently available to us.

Some items that Trustees and Session deemed important to the ministries of Grace could not be fully underwritten by our Actual Donations projections. Recognizing that total income for 2021 is difficult to accurately predict at this time, Session and Trustees looked at ways we could adequately fund ministries in 2021. Additional income sources were identified for the 2021 ministry budget. The supporting income sources for the budget are identified under the heading **Supporting Income** on the last page of the budget document.

You will note that at this time no Endowment Funds are being designated to augment income this year. The money we received that exceeded our expenses from last year means that we enter 2021 with the ability to carry forward \$110,000 from 2020 to help us meet 2021 expenses. Grace will put the rest of the \$192,000 above expenses for last year into Cash Reserves and the Long-Term Maintenance fund. For the 2019 Budget, Session approved using up to \$65,000 in Investment Income from Restricted Funds. That total amount was not used at that time, so this year \$25,000 of that Investment Income is designated for the 2021 Budget. Your continuing pledge support for Grace and the commitment to Grace's ministries evinced by gifts to our endowments and special, designated funds allow Grace's leadership to share this 2021 budget. We know together we can faithfully answer God's call for Grace Presbyterian Church.
